Enduring Power of Attorney

If you become ill or disabled, an Enduring General Power of Attorney ensures that your financial and business affairs can be looked after by someone you trust.

You can appoint a family member, or an independent person, as your Attorney. Attorneys can be appointed to act together or separately.

Your Attorney must act honestly and in your best interests. Your Attorney must keep records of all transactions.

Wills

Having an up to date Will ensures that when you die your estate is distributed as you wish.

Making a Will need not be complicated. We will give you clear directions and where appropriate prepare simple and clearly understood Wills.

In some circumstances more complex Wills involving testamentary trust may be appropriate for you.

We can advise you on choice of executors and any special wishes you may have.

Advance Care Directive

An Advance Care Directive empowers you to make clear legal arrangements for your future health care, end of life, preferred living arrangements and other personal matters.

You can appoint one or more Substitute Decision Makers to make these decisions on your behalf if you are unable to do so in the future. A Substitute Decision Maker must act in your best interests and in accordance with your stated directives.

We can assist you with the preparation of an Advance Care Directive.
